PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented Software Developer with hands-on experience developing ERP modules using C#, LINQ, and MySQL within the .NET Framework. Strong foundation in front-end technologies (HTML, CSS, JavaScript, Bootstrap) and a passion for building efficient, user-focused web applications. Experienced in database management, application optimization, and debugging, with proficiency in SQL Server (SSMS) and IIS deployment.

COMPUTER PROFICIENCY

Programming Languages & Web Technologies: C#, JavaScript, jQuery, SQL, HTML5, CSS3, Bootstrap

Frameworks & ORM: ASP.NET MVC, .NET Core, .NET Framework, Entity Framework, LINQ

Databases: Microsoft SQL Server, MySQL

Development Tools: Visual Studio, Visual Studio Code (VS Code), SQL Server Management Studio (SSMS)

Version Control & Web Server: Git, GitHub, Internet Information Services (IIS)

Project Management & Collaboration: Jira, Confluence

Diagramming & Documentation: PlantUML, Draw.io

Operating Systems: Windows, macOS

EXPERIENCE

Parsvnath Tech Solutions

Jan 2026 – Present

Software Developer | Moradabad, India

- Developing and maintaining ERP modules to enhance organizational workflows and operational efficiency.
- Designing and implementing backend functionality using C#, LINQ, and Entity Framework within the .NET ecosystem.
- Creating responsive, user-friendly interfaces using HTML, CSS, JavaScript, and Bootstrap.
- Integrating modules for admissions, accounts, hostel management, and reporting systems.
- Optimizing database operations and ensuring seamless data flow across interconnected ERP components.
- Collaborating with cross-functional teams to analyse requirements and deliver scalable software solutions.

Technologies: C#, HTML, CSS, JavaScript, Bootstrap, LINQ, MySQL, Entity Framework

Teerthankar Mahaveer University

Apr 2024 – Dec 2025

Software Developer | Moradabad, India

- Developed and integrated new modules into a comprehensive ERP system to streamline university operations.
- Enhanced existing functionality and implemented new features for admissions, accounts, and hostel management.
- Built backend business logic using C#, LINQ, and the .NET Framework to improve application performance and reliability.
- Developed responsive front-end interfaces using HTML, CSS, JavaScript, and Bootstrap for an improved user experience.
- Participated in debugging, testing, and deployment of new functionality to ensure system stability and performance.

Technologies: C#, HTML, CSS, JavaScript, Bootstrap, LINQ, MySQL, Entity Framework

EDUCATION

Master of Computer Applications

Oct 2021 – Jun 2023

Dr. A.P.J. Abdul Kalam Technical University, Ghaziabad, U.P.

Bachelor of Science (Computer Science)

Jul 2017 – Jun 2020

Mahatma Jyotiba Phule Rohilkhand University, Bijnor, U.P.

Intermediate

Jul 2016 – Jun 2017

U.P. Board, Bijnor, U.P.

High School

Jul 2014 – Jun 2015

U.P. Board, Bijnor, U.P.
